Session #4

What we'll cover:

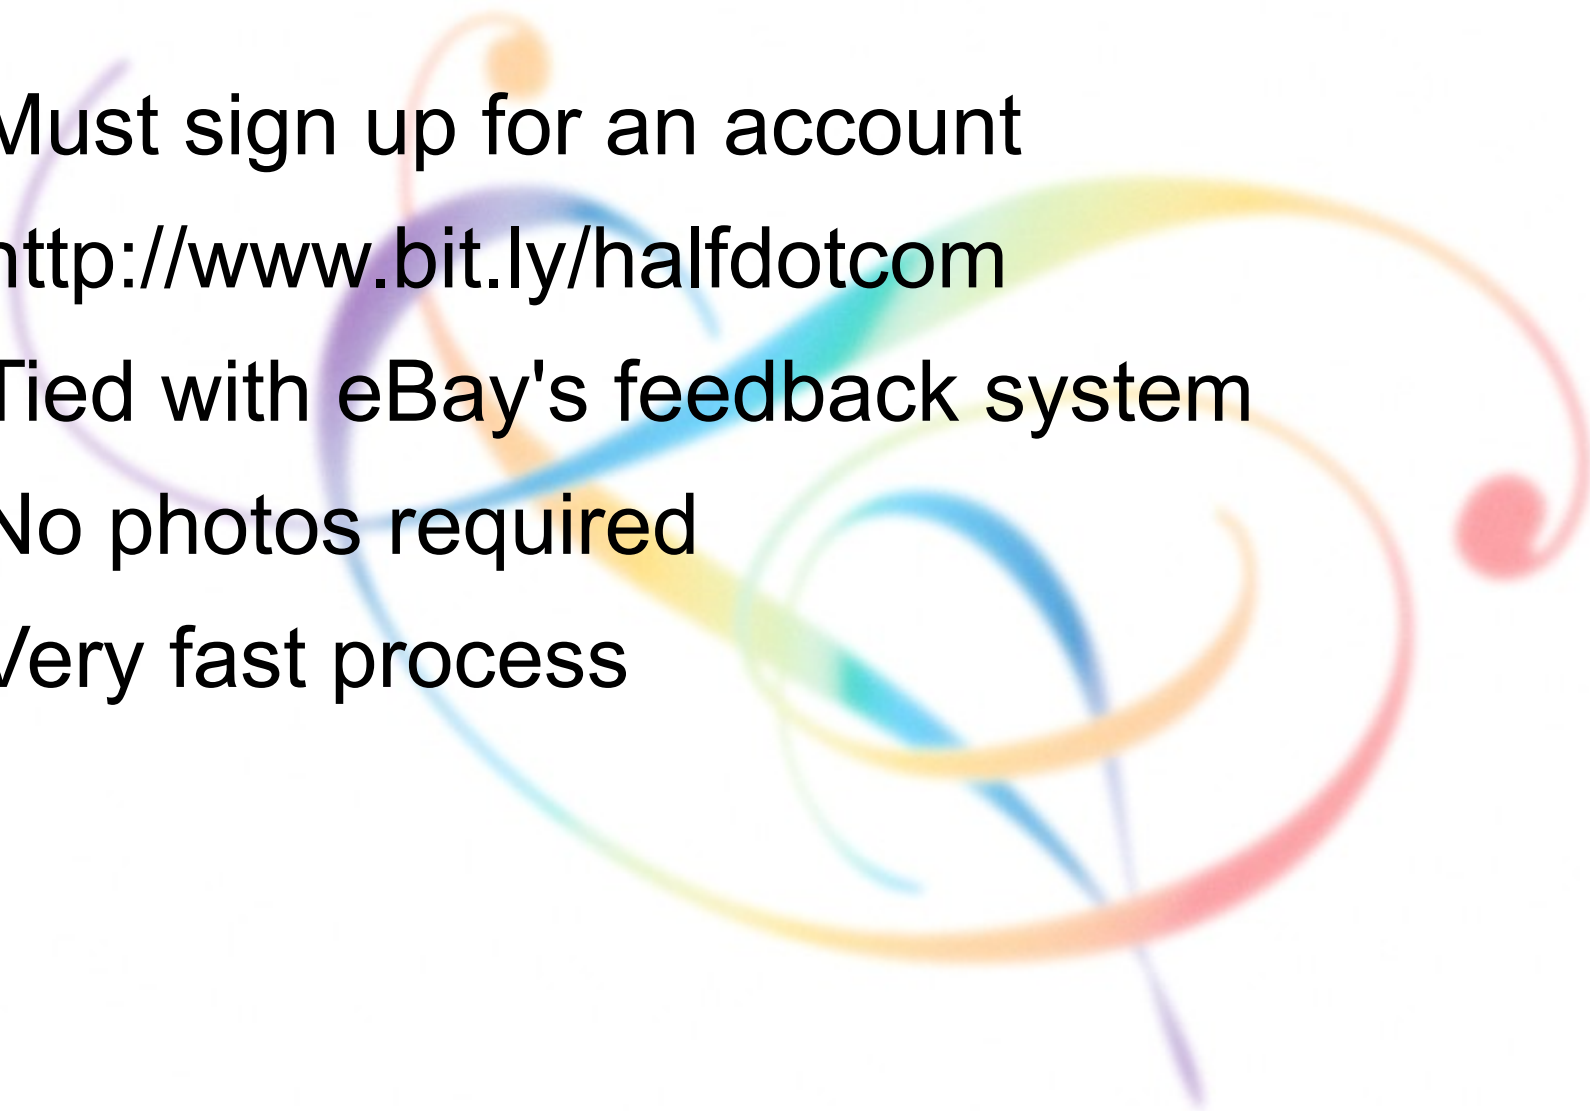

- Questions from Session #1-3
 - How to list on Half.com and save a LOT of time over eBay
 - Managing your Half.com inventory
 - Using Craigslist.org to sell large items and more
- 

The background features several overlapping, colorful, swirling lines in shades of purple, blue, green, yellow, orange, and red. These lines are fluid and organic, creating a sense of movement and energy. The colors transition smoothly between adjacent lines, giving the overall composition a vibrant and dynamic feel.

WARNING: scammers may try to steal your account by sending an **official-looking email** with a link to a **fake craigslist login page** that looks like this page, hoping you'll type in your username and password.

Look carefully at the web address near the top of your browser to make sure you are on the real craigslist login page, <https://accounts.craigslist.org>

The safest way to login is go to the craigslist homepage directly by typing in the web address, and then clicking on the 'my account' link.
